

“A Distinct Difference”
Serving Families Since 1921

This General Price List reflects our commitment to provide price information to all who inquire, and is in strict compliance with the Federal Trade Commission’s required format. All funeral homes are required, by law, to price funeral services in a similar manner and to give you (for retention) their General Price List, if you so request.

We believe that it is important for you to understand the services that are available, as well as the specific cost for each of those services. From this list you may select the type of funeral you desire.

At Pellerin Funeral Home, we are committed to providing quality service in a caring and professional manner.

We are honored by the confidence you have placed in us and thank you for the opportunity to serve your family. Please feel free to ask any questions.
